RE: NitroFill Tire Rewards, Fortegra and Auto Knight Motor Club

To Whom It May Concern:

The following information is provided to clarify and document the relationship between the above companies and the NitroFill Tire Rewards program.

The NitroFill Tire Rewards program is administered and insured by the Auto Knight Motor Club, and backed by the strength of Fortegra Financial.

Auto Knight Motor Club has provided emergency roadside assistance and ancillary insurance products for automobile dealers for over 23 years. In January 2011, Auto Knight was acquired by Fortegra Financial Corporation, a publicly traded leading insurance provider and marketer of administrative services and insurance related products to insurance companies, brokers, agents, retailers and financial service companies throughout the United States. Fortegra Financial is listed on the New York Stock Exchange under the symbol: FRF. To learn more about Fortegra Financial, please visit [www.fortegra.com](http://www.fortegra.com).

Auto Knight offers quality imbedded and stand-alone emergency roadside assistance, tire and wheel coverage and other ancillary products to OEM's, lending institutions and third party administrators. All Auto Knight roadside service and tow providers are thoroughly screened and contracted by Auto Knight directly and all service calls are handled by Auto Knight Employees in the USA, just two of the many factors that enable us to provide the highest quality care for our members.

Auto Knight possesses licenses to transact motor club business in all states that regulate roadside assistance. Auto Knight's obligations, including those associated with NitroFill Tires Rewards are insured as deemed necessary by state requirements by either our sister companies (Lyndon Southern Insurance Company or Insurance Company of the South), or by Dealers Assurance Company, Plateau Insurance Company, or Old Republic Insurance Company.

Auto Knight is proud to administer NitroFill Rewards and welcomes your correspondence should you require any additional information regarding Auto Knight or Fortegra Financial.

Sincerely,

W. Dale Bullard, CEO
